THE EVENTS OF THE DAY

12:00 Noon - At the Meyers house we will write the final letters of the Torah.

With great Simcha we will celebrate with music, drinks, lechaims and delicacies. In addition, there will be a kids program with Rabbi Teleshevsky including: Jr. Scribe, Make a flag, and Torah sand art. There are dedication opportunities during this time as well.

Following the writing of the final letters we will, at ~ 1:45 PM, proceed to the Kehilla from the Meyers house, led with music and excitement to introduce the Torah to the Kehilla, its new home.

At the Westwood Kehilla (10523 S. Monica Blvd) approximately 2:15 PM we will begin Hakafos, singing by the Choir of Young Israel of North Beverly Hills, with music accompanist and background by Aron Niasoff, followed by lunch and greetings by Rabbi Stewart, Rebbetzin Olivia Schwartz, and Rabbi Ilan Meyers. The children's program will run parallel to this event with a Torah magic show, balloon art, and face painting.
